We are

- **The first and largest content and online destination** for procurement and supply chain professionals seeking insight, advice and expert commentary on topical industry issues and events

- **A leading global B2B network** focused on content with hard-hitting research alongside analysis of the most recent and relevant procurement and supply chain news

- **Publishers of more research** than any other leading analyst firm

- **Producers of unmatched subject matter expertise** and depth of knowledge from a wealth of contributors, ranging from senior practitioners and consultants to technology experts focused on procurement and operations strategies

**Part of a far-reaching and authoritative voice with multiple outlets, including global affiliate sites**

**Metal Miner**
Top destination for metal buyers in North America with pragmatic forecasting, sourcing and price-tracking services.

**Trade Financing Matters**
Authoritative source for receivables and payables financing insight.

**Public Spend Forum**
Largest public sector procurement resource in the United States.

**Spend Matters Netherlands**
Spend Matters NL is the first Spend Matters blog in the Netherlands, and features Dutch versions of English-language articles.

**Spend Matters UK/Europe**
Launched in 2010, and has quickly established itself as one of the top global procurement sites with more than 20,000 visitors every month.

**Healthcare Matters**
Leading independent voice in the healthcare industry supply chain, focusing on perspectives from buyers, sellers, payors and intermediaries alike.

“Spend Matters PRO provides thought-provoking, forward-thinking perspectives on all aspects of the procurement space. With so much change underway in the marketplace, it’s a great resource to keep pace and find new ways to drive value.”

Don Fawcett  
Vice President Sourcing  
Follett Corporation

“Spend Matters PRO is an exclusive and best-in-class resource that Supply Management has been sorely missing. It provides the insights and intelligence that our professionals need to stay ahead and keep their skills sharp. Built on the foundational excellence of Spend Matters blog, this is but a natural progression on what is now the Procurement Powerhouse for unparalleled research and analysis.”

Naseem Malik  
Director  
Global Sourcing at Terex Corporation, CPSM

“Spend Matters PRO provides ideas, insight and thought leadership to the world of procurement and sourcing. Jason and his team have utilized the power of the media to provide knowledge and enlightenment to procurement executives, practitioners and technology and service providers. Spend Matters PRO is a one stop shop of triangulated information.”

Mickey North Rizza  
Vice President Strategic Services  
BravoSolution (former Research Director Supply Chain at Gartner and AMR Research)

“I love the content in the PRO [Premium] section of Spend Matters. Well done and I think it will be another great enhancement from Spend Matters. It comes at you everyday while also going down to a level like nothing else in the market, setting a very high new bar for analyst/research content in sourcing, procurement and supply chain.”

David Bush  
CEO  
Iasta

Top 10 Ways Spend Matters Can Help Your Business Succeed

Our sponsors, advertisers and partners work with us for many different reasons:

1. **Extend your reach**
   Reach a broad population of professionals from many different organizations, but who are all passionate about procurement and supply chain matters.

2. **Get seen and be noticed by the right people**
   Expose your brand, message, or ideas to top procurement and supply chain executives who regularly check in with Spend Matters.

3. **Obtain appropriate and relevant leads**
   We provide a platform and a number of proven strategies to generate relevant leads for your business.

4. **As a sounding board and unbiased confidant**
   We aren’t afraid to be straight with our partners—we will give you honest advice about your marketing, and even your product and positioning (and potential partners or acquirers). Take advantage of some of the most innovative thinking in procurement strategy and technology, including unparalleled access to the brightest minds in supply chain procurement to hone in on optimal positioning and differentiation.

5. **Help develop your own media and SEO strategy**
   Grow your own site’s traffic by partnering with us and watch your web presence grow organically as the result of our readers’ interest.

6. **Gain exposure for specific events**
   Leverage our sites as a launch-pad to drive awareness and uptake/attendance for webinars, conferences and more.

7. **Be validated by recognized thought leaders**
   Become “3rd party validated” from expert, authoritative, and dependable voices in the supply chain, finance and procurement areas that operates with editorial independence, including influencers outside of Spend Matters that read our site religiously.

8. **A high-quality source of content**
   We provide well-researched, timely and relevant content both for our own sites and also to repurpose for your own communication and marketing channels.

9. **A credible advocate for policy**
   We have shown our ability to influence legislators and contribute toward real positive change in the supply chain and procurement sector.

10. **Social media fuel**
    We can be an integral cog in your social media machine, from Tweeting to support relevant blogs or papers, to Facebook updates or YouTube videos.
